

Happy Christmas

There's no waste with this origami card -
fold it up into a reusable Christmas decoration

Merry Christmas

from...

The planters, pickers, packers, and cooks; the local veg teams, drivers, cleaners, mechanics, and IT programmers; from every cog in the wheel, worm in the soil, and bee in the hive who gets those vegetables from seed, to harvest, to barn, to you.

Thank you for being part of Riverford in 2021. Your support helps us to do things the right way - especially during the past two crazy years, when we have all needed to take extra care of each other.

Wishing you a happy new year, from 1,045 tired but grateful co-owners, and our local veg teams. Together we will shape a fairer, kinder world for all.
